The big news was the appearance of Bo, a.k.a. Lazarus. Some of you may recall Bo with mommy/pilot Judy Churchill on the cover of the Sept.–Oct. 2001 issue of NewfWaves. They were about to fly off to their Lake Tahoe retreat. Then in 2003 came the awful news that Bo had been diagnosed with cardiomyopathy, a normally fatal heart disease. Born in 1996, Bo was then 7 and not expected to live much longer. Gordon and Judy were devastated. For Bo, no more flights to Tahoe. No more exuberant swimming and retrieving and hiking. Not very much more of anything, and not for much longer.

But wait! Enter modern medicine! By taking prescription drugs found effective in humans, Bo has survived. He’s approaching 11 now, and he looks beautiful! My heart jumped when I saw him at the fountain. He’s always been one of my favorite Newfs. Several other folks in the club had the same reaction. What a treat! Thanks for bringing him, Gordon!

In the picture, we see Jeff Herrera with Yogi in the fountain, his son Noah with puppy, Kimie Landers with Vladimir and Storm, Monte Howard with Rubee in the fountain behind Tim Craig with Rinncon, Esther Hofer with Tilly, and a visitor with her Newf (I didn’t get their names), Joan McAdam with Bravo behind Chris Ferguson with Poseidon, Bob and Jackie Helland with Willie and Zoey behind Heidi Herrera with Bijou, Shelau Howard with Merlin behind Jack and Sherry Thomas with Toby and Kramer, Marilyn Otto with Zeus, Gordon Churchill with Bo, Gina Anderson with Bro-D, and CeCe Guyatt with Dibs, K.C. and adorable puppy Murphy.

So on that sunny June 10 Sunday morning, after making sure all nearby admirers were thoroughly soaked by shaking wet Newfy spray, the thundering herd took off down the wide steps and headed for the interior. Gina Anderson was the designated “guide,” but not everyone followed her chosen route. The pack slowly spread out through the park and eventually re-grouped for lunch in the cool little amphitheater behind the Reuben H. Fleet Center.
There was a heroic rescue en-route. On our way to the amphitheater, we passed a walled fountain behind the Prado restaurant. The fountain has a deep pool. An honorary Newf for the day, border collie Bro-D jumped into the pool but couldn't get out: the water was too deep and the wall too high. Monte Howard saw the predicament and immediately jumped in the pool, clothes and all, to help poor struggling Bro-D. I came by too late to photograph the comic scene. What a shot that would have been!

The Hamiltons brought G.T. and Cali. Joan McAdam’s other dog, a Shiba Inu, is Newf Bravo’s little companion. Along the way, Joan encountered Harv and Bobbi Searl with their Shiba Ginger. The Searls joined the group, and after lunch and more exploring, many went for ice cream near Spanish Village. The group included Joan and Bravo, the Searls, Jose Magsaysay, Esther Hofer and Tilly, The Howards with Rubee and Merlin, Kimie Landers with Storm and Vladimir, and Jack and Sherry Thomas with Toby and Kramer. It has become a tradition to go for “soft ice” near the artists’ colony, and the dogs also look forward to it, because they get to eat what’s left of the cones!

It was a pleasant, easy-going day, filled with many enjoyable conversations and flattering comments about our Newfies from the visitors in the park. It's one of my favorite events. Chris! Let's do it again next year!
It was so great to see Gordon Churchill and Bo again!

Bastille Day 2007: Water Fun On Fiesta Island
By Chris Ferguson

I was so glad to see so many new members and guests show up at our water fun day on Fiesta Island. The fresh enthusiasm and new friendships sprouting with these fun folks make events like this an idea surely to be repeated. I love members, new and old, who really participate!

The day even started out to be beautiful! Me and m'boys, Sid, Sid Joseph, and Newfy Poseidon arrived early to stake a claim on the shoreline. Father and son got to work immediately on their current passion: sandcastles. They dragged the bag of tools down to the water before I even had the dog out of the van!

Esther, Jose and Miss Tilly pulled in right behind us! Tilly no doubt gets the socialite extraordinaire tiara for the day. She was so happy running around greeting everyone that arrived. Tim Craig and Mojo cruised in next. Mojo at first was a little slow checking out the whole water thing, but it took Tim all of about 15 minutes to turn that pup into a water dog! The two of them spent most of the day out in the water splashing! I think Tim had more fun than anyone, man or beast. Mojo’s brother Boomer brought his owners Jerry and Dee Brull, friends of the Craigs, to join in and check things out. I think they all had fun. Hope they come back.

CeCe Guyatt and son Bryson brought Dibs, K.C. and puppy Murphy, who is just what water dogs are made of! This pup is sure to be a big boy, while right now he's all head and feet. When he wasn't trying to swim to China, he spent the afternoon swimming up to everyone in the water and giving them bear hugs. Rick and Marilyn Otto arrived with their boy Zeus. Poseidon joined him, and the big boys hit the water! No sooner did they get wet, when Oz joined them. Oz kept Jon Stahley out in the water most of the day. Good thing he had a hat! New members Catherine and Sam Theodore joined us for the afternoon. Denise Jones and her friend, John Dowd, brought Dooley and new pup Diver. Beautiful Dooley looked dismayed when the furry puppy rolled in the wet sand and delighted in getting all dirty.

I must say the old days of the humans not wanting to get wet are over. I think there were only a couple people who didn't get wet. Everyone was swimming! Larry and Jose and even Tim couldn't keep up with the picture taking! They were snapping like crazy!
Nancy and Onslow did some serious yardage out in the bay. Gina and Bro-D, who was just SURE he was a Landseer (hey- the color theme matched), did lots of splashing around. Border collie Bro-D is just a clown. He had a blast!

Joan Hamilton came and swam with Miss Cali, who immediately recognized her water training gang and was full of fire! Guest Kimberly Motsinger brought her Landseer Augli. Kerry and Craig Dennis brought good ol’ Chocolate Mousse, who was undecided just whom to chase and whom to romp with. So many choices!

And last but not least, how cool were Kimie and Ryan Landers? Not only did they bring Newfs Vlad and Storm, they also brought their new paddle boat! They invited everyone to take a spin along with their Newfs on the rear deck of the boat! What a blast! My 6-year-old, Sid Joseph, while in the paddle boat, spotted … a stowaway! Yes, Sid Joseph demanded with hysterical clarity that the SPIDER be thrown overboard and shown no mercy or free passage! What can ya’ do? ….Youth today…..

A sincere thanks to Craig Dennis for being our BBQ-er. Great job Sir! Everyone got plenty to eat, because everyone brought incredible stuff for the food table. Salads, fruits, deserts, chips, salsa and on and on. Thank you EVERYONE who brought something. WOW.

Thanks also to Mary Milton and Miss Esther for helping get the food tables all arranged and going. It wasn't easy with Miss Tilly insisting on inspecting all the goodies!

At the general membership meeting after our lunch, club secretary Gina updated us on what’s coming up and going on.

Then everyone was back in the water! We had major sunburn at our house that night. I called my hubby Sid “Bougainvillea man!”

Thanks my good friends, new and old! You can be sure we will be doing this again! Oh, I also have to add, thanks for all the great e-mails! Keep the ideas coming. I love them!

You guys ROCK! - - Chris
Gina and Larry Anderson, with “Newf for a day” Bro-D, enjoy the Landers’ paddle boat.

Storm tows Kimie, Vlad, Tilly, Esther and paddle boat!

“You’re overloaded. It’s not safe. I’m pulling you in.”

Chocolate Mousse gets a ride with Craig and Kerry Dennis.

In Memoriam: Taylor

Good-bye dear big boy. We had a wonderful journey together. Thank you for enriching my life and teaching me so much. Thank you, Pam and Joyce, for letting me be a part of Taylor’s life.

With Love, Sharon Gilbert

You were our very first Newfy. We asked Sharon to help with your development, and our interest in Newf rescue began to take shape. Your sweet nature had a real impact on us, and the idea for our annual rescue benefit party was born. We think of you often, and we miss you. Dear Taylor, you’ll be in our hearts forever.

In Memoriam: William McKinley

“Let us go then, you and I, when the evening is spread out against the sky … “ T. S. Eliot

We knew Will as a gentle, kind man who lived and worked at the observatory on Palomar mountain with his beloved Newfy Norman. Will did virtually anything needed to support the facilities and maintenance of the 200-inch telescope. By himself, he designed and constructed the building which houses hydrogen. He was highly intelligent and versatile, but so shy one would never know. We always enjoyed visiting with him whenever he brought “Stormin’ Norman” to our club events.

Will had been ill with complications from diabetes for some time. No longer able to care for Norman, Will sadly gave him up last February. Fortunately for Norman, his breeder, Doreen Beale, took him in. She reports he has now adjusted to living with other dogs and is doing just fine.

Will’s sister, Cindy Wilson, is donating Will's extensive collection of Newfy books to our club. What a nice thing to do in Will's memory. Thanks, Cindy. We'll put them to good use!

OH WOW!

Here is the newest addition to our Newfy family. We lost our 10-year-old girl Teddi Bear last September, and it's taken some time to acquire a new puppy. Our new baby is named Sophia (named after Sophia Loren), and she is a Springhaven Newf just like our Teddi Bear. She was born Feb 17, 2007. This picture was taken at 9 weeks when we first brought her home in April.

Sam and Catherine Theodore
Residence: El Cajon. Catherine, originally from Iowa, and Sam, a native San Diegan, eventually plan on returning to the Hawkeye state where they have a 15-acre parcel of land.

Occupation: Sam is an operations manager for a construction company. Catherine works as support for Hewlett-Packard.

Dogs: Catherine reports having had several mixed-breed dogs as a child. She also helped raise a litter of pups (including bottle feeding) for the San Diego Animal Rescue and eventually found good adoptive homes for them. The Theodores currently do not have any dogs. Their introduction to Newfs came when they saw the movie “Must Love Dogs.” They researched the breed and found out about the NCSD through the on-line newsletter. Having attended several NCSD events (e.g., Del Mar beach walk, Easter egg hunt and the Bastille Day water fun day), Sam and Catherine have had opportunities to speak with Newf owners and to experience first-hand the Newfy personality and temperament.

Hobbies/Interests: Gardening, home improvement/construction, animals.

Newf-related goals: “To be foster parents and, eventually, Newfy parents.”

Michelle Alpern
Residence: Valencia (Los Angeles County)

Occupation: Michelle is a stay-at-home mom for 4-year-old son Austin. She formerly worked for the Los Angeles Police Department as a dispatcher and also worked in accounts receivable in the medical field. Her husband Bruce is a firefighter.

Dogs: Springhaven’s Chasing Cars, aka Bailee Bear, is Michelle’s first Newf. Bailee Bear is a 1-year-old black female who is described as “sweet, obedient, and wanting to please.” Bailee’s playmate and canine sibling is Sam, a rescued 5-year-old golden retriever.

Hobbies/Interests: Michelle is active in the Newfoundland Club of Southern California as a steward in water training and will be the trophy chair at a NCSC specialty show in November. Michelle enjoys volunteering for the Firefighter Cancer Survivor Support Network, a non-profit organization. A self-proclaimed “photo-freak,” Michelle loves to take pictures and to take Bailee out in the community, talk with people about canine behavior, and “share her with everyone.”

Newf-related goals: Michelle is highly motivated to attain titles with Bailee Bear. Bailee passed her Canine Good Citizen (CGC) in early July. Plans include therapy dog testing with Pet Partners, Novice A Rally trials in Ventura and Santa Barbara Counties, and trying for water titles at Glorietta Bay in August and at Lake Castaic in October.

Let’s welcome Sam, Catherine and Michelle to the NCSD!
Minutes of the NCSD Board Meeting

II. Minutes  
The minutes of the March 18, 2007 board meeting were read. The minutes were accepted as read.

III. Secretary's Report  
Gina will notify the members of the slate by email and check with Sherry for additional nominations.

IV. Treasurer's Report  
Joe Wucherer reported that the balance as of May is $7,420.42 in the regular account with $6,828.81 in the rescue fund for a total of $14,249.23. There are no outstanding bills. Joe reported the CD comes up for renewal in September. Tim and Jen Craig will serve as the audit committee. Joe agreed to research our getting 501C3 status for the rescue portion of NCSD.

V. Committee Reports  
Conformation: No report  
Membership: Esther reported on some new potential members. Joan Hamilton has volunteered her house and pool for a new members party.  
NewfWaves: Next issue has been mailed.  
Rescue: Jen reported that the puppies at Lake Elsinore were adopted. Tim and Jen are looking into getting liability insurance for rescue from NCA. The NCA has grants to cover insurance costs.  
Working: Steve reported that the NCA has approved our water test. It will be on Sept. 30. Steve is the Chairman, Tim will serve as the third member, secretary slot is not yet filled. Judges will be Denise Castanaguay from Canada and Jackie Helland. JoAnn read a letter from Joan Hamilton expressing concern about unregistered dogs at the water test. We discussed revoting on the “fun match.” Since we had voted in favor of the match at our previous meeting we did not revote. Gina volunteered to draft a sign up sheet with some rules for the “fun match” dogs. Joe will review the form and then the board will also review the form.  
Programs & Activities: Chris reminded us of the fountain walk in Balboa Park at 10 am on Sunday June 10. We will meet at the large fountain near the Reuben H Fleet Center in the park. Our Bastille Day party will be on Saturday, July 7 at Fiesta Island if OTL is not then. Time will be determined. We decided to hold one of our twice-yearly general membership meetings during the Fiesta Island event. We discussed a possible grooming workshop and Chris will talk to Linda Barkas about a November date. JoAnn read a letter from Joan Hamilton expressing concern about unregistered dogs at the water test. Sherry will propose new restocking purchases at the next board meeting.  
History: No report.  
Web Site: Chris reminded Gina to add the Web Site to the agenda. We discussed adding pictures of the club merchandise to the NCSD Web Site.

VI. Old and Unfinished Business (none)

VII. New Business  
Kimi Landers discussed the issue of the planned development of Fiesta Island. She and Esther have been attending the hearings. They suggested information about the loss of lease free dog areas in the next NewfWaves and the mention of the FIDOSD.com Web Site. We will try to put a form letter on the Web Site or in NewfWaves for people to send to the city council. Letter writers should have a San Diego address if possible. Katie Jacobsen brought up the issue of the AB 1634 “Healthy Pets Act” bill in the state legislature. The CA Vet association supports the bill, but this does not reflect the feelings of the Vet membership. The AKC is against the bill. PETA is the main group pushing this bill. She urged NCSD members to read the bill and write to the state legislators. We will put a notice in NewfWaves and will circulate information by email. Tim will send links to legislators and informational Web Sites. Next board meeting will be at Andersons’ house on Sunday July 15, 2007 at 10 am. Future meetings will be on September 16 and November 18.

VIII. Adjournment  
JoAnn adjourned the meeting at 12:10 pm.

Respectfully submitted,

“Alive In Our Hearts”

Win the beautiful, unique photo-mosaic at the rescue benefit party! This original framed, 20 by 30-inch color portrait, by photographer Shelau Givin-Howard, honors the life of one beloved companion, but it represents a prospect that is faced all-too-soon by every dog lover and perhaps, most especially by those of us that love a Newfoundland dog. Our love is all the more immediate in the knowledge that they will be with us for so short a time.

The subject of this work is Taylor, owned by Pam Morgan and Joyce Rowland, the family he loved in life and the people who will hold his spirit forever in their hearts. The image of Taylor is from Pam and Joyce’s photo collection and was originally taken by photographer Nancy Spelke.

The portrait is a photomosaic comprised of over one hundred and thirty individual “tiles,” each a photograph taken by Shelau. They depict San Diego Chapter members and their dogs enjoying the many events and activities that make Newfoundland ownership such a rich experience for all family members, be they two or four-legged.

The events include The Blessing of the Newfoundland at Christmas time, the club Halloween parties, last two year’s Newfoundland Rescue Benefits, water trials at Glorietta Bay, Bastille Day, The Newfoundland walk at Balboa Park, the Silver Bay Kennel Club competition, the Del Mar Beach Walk and Wags for Wishes.

As you view this work from a distance, you will see Taylor gazing back at you in typical Newfoundland fashion. Approach more closely and you will note the mosaic effect created by hundreds of photographic tiles of varying color and intensity. Look closer still and you just may find a picture of yourself and your Newfoundland!

This beautiful piece has been donated to San Diego Newfoundland Rescue by Shelau Given-Howard and will be raffled off at this year’s rescue benefit party.

The photo-mosaic at last year’s Newf rescue benefit, photographer Shelau Given-Howard and raffle winner Sandi Greene
Our mission as the Newfoundland Club of San Diego is to protect and celebrate the Newfoundland dog as a companion and working partner through fun, fellowship, activities and education.
